

# SYC YACHT CARE SERVICES

## EXCLUSIVE NEW SERVICE

---

**Sandringham Yacht Club  
would like to offer to member  
boat owners and exclusive  
Service that no other yacht  
club in the world offers.**

The objective of this service is to assist member boat owners with keeping their yachts running. A stationary vessel means that many seals and parts are not kept running. This service would be able to identify any issues that may arise and notify the owner in advance of breakdowns or any possible damage.

**Contact [boating@syc.com.au](mailto:boating@syc.com.au) to register your interest**

## OBJECTIVE

The objective of this service is to assist member boat owners with keeping their yachts running. A stationary vessel means that many seals and parts are not kept running. This service would be able to identify any issues that may arise and notify the owner in advance of breakdowns or any possible damage.

Yacht Care Services are offered on a per hour basis.  
The hourly rate is \$50.  
Minimum charge is 1 hour.  
We recommend this service should be performed weekly.

Silver Service - 1 Hour  
Gold Service - 1.5 Hours  
Platinum Service - 2 Hours

## REPORTING

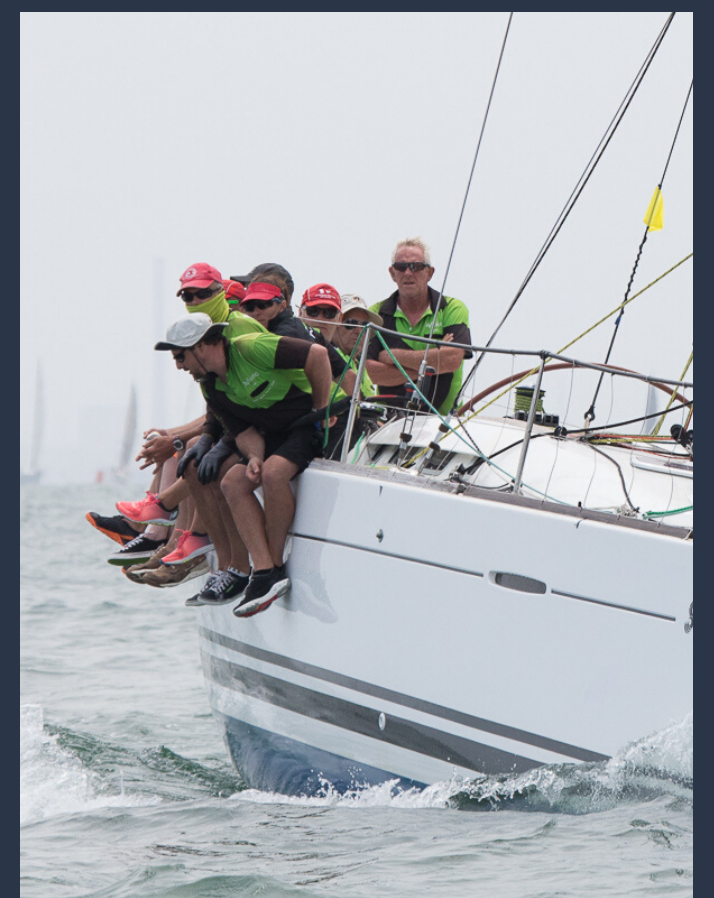

A service log will be provided via email, each time a check is performed, any additional comments and items that are issues e.g. chaffing line, frayed electrical cable can be communicated at this time.

Each yacht service has a checklist and each item will be dated and time stamped signed completed then emailed to owner with any issues noted.

## REGULAR MAINTENANCE

*This service is not expected to replace your regular maintenance on engines and other components.*
