For the last race in the series LEBROK had a 45 minute handicap and started just 4 seconds late from 24<sup>th</sup> place. She reveled in the light breeze and flat seas that characterized the early part of the race. Towards the end of the 3<sup>rd</sup> leg of the 7 leg, 8.5 nautical mile course 13 she was leading the fleet. LEBROK wasn't challenged for the remainder of the race and sailed the course in 1:52:03, the 5<sup>th</sup> fastest time of the race, to finish 3 minutes 36 seconds ahead of the rest of the fleet at 16:07:03. This win consolidated her position at the top of the aggregate which she won by 15 points with total of 71.5 points.

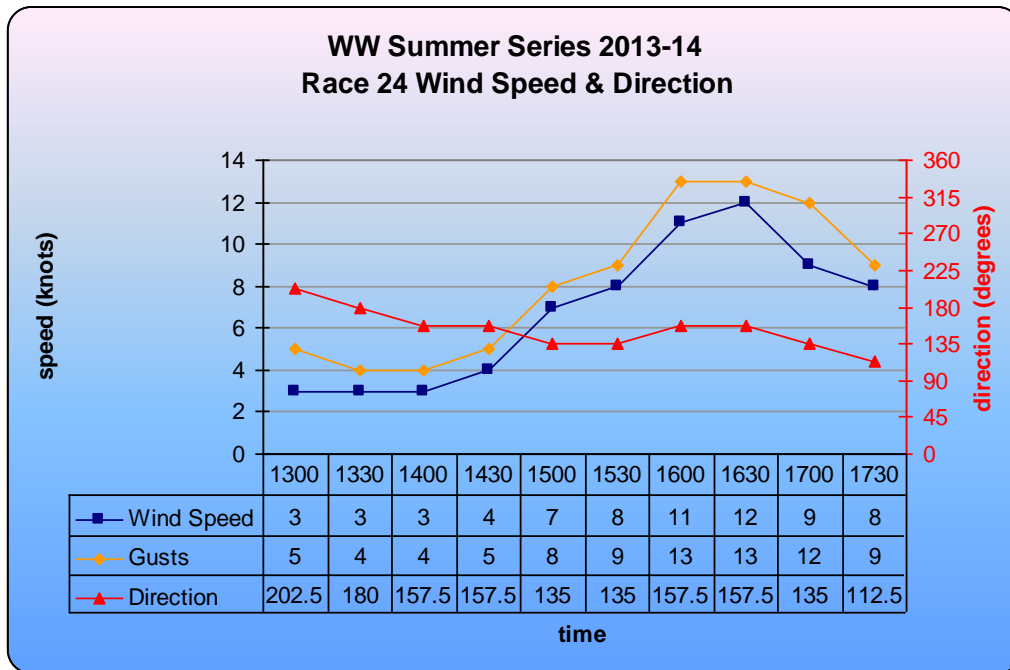

Sailing the course in the fastest time of the day, 1:48:39, was CARPE DIEM (Paul Commins). CARPE DIEM started from 30<sup>th</sup> place 10 seconds late for her 52 minute handicap. By the first rounding of number 4 she had moved into 8<sup>th</sup> place and continued her pursuit of the leader moving up a further 6 places by the end of the race. She crossed the finish line 16:10:39 in 2<sup>nd</sup> place to record her 2<sup>nd</sup> podium finish of the series. CARPE DIEM has sailed 20 races this series and finished 12<sup>th</sup> in the aggregate with 119 points.

Finishing the race in 3<sup>rd</sup> place was PUBLIC BAR (Clive Sondheim). PUBLIC BAR has sailed 22 races this series and following a win in race 2 she kept a low profile until the last 7 races. Out of the last 7 starts she recorded 2 podium finishes and an additional 3 top ten finishes. As a result of this late surge she moved from 25<sup>th</sup> in the aggregate after race 16 to finish the series in 5<sup>th</sup> place on 100 points. PUBLIC BAR started the last race of the series 7 seconds late for her 50 minute handicap from 27<sup>th</sup> place. By the first rounding of number 4 she had moved into 5<sup>th</sup> place and after sailing the entire course in 1:51:19 she crossed the finish line at 16:11:19 just 40 seconds behind CARPE DIEM.

For the second consecutive time the race was run in light conditions with only 3 knots from the south being recorded at 1330 at Fawkner Beacon. The breeze did increase and move eastwards from around 1400 onwards. With the breeze following this pattern, any equilibrium created by handicaps becomes diminished if not totally lost.

This was reflected throughout the entire race with the fleet starting 53 minutes apart reducing to 24 minutes 35 seconds at the first rounding of number 1 but increasing by the finish to be 40 minutes 10 seconds apart. This suggests a lack of synchronization between the handicaps and course length.

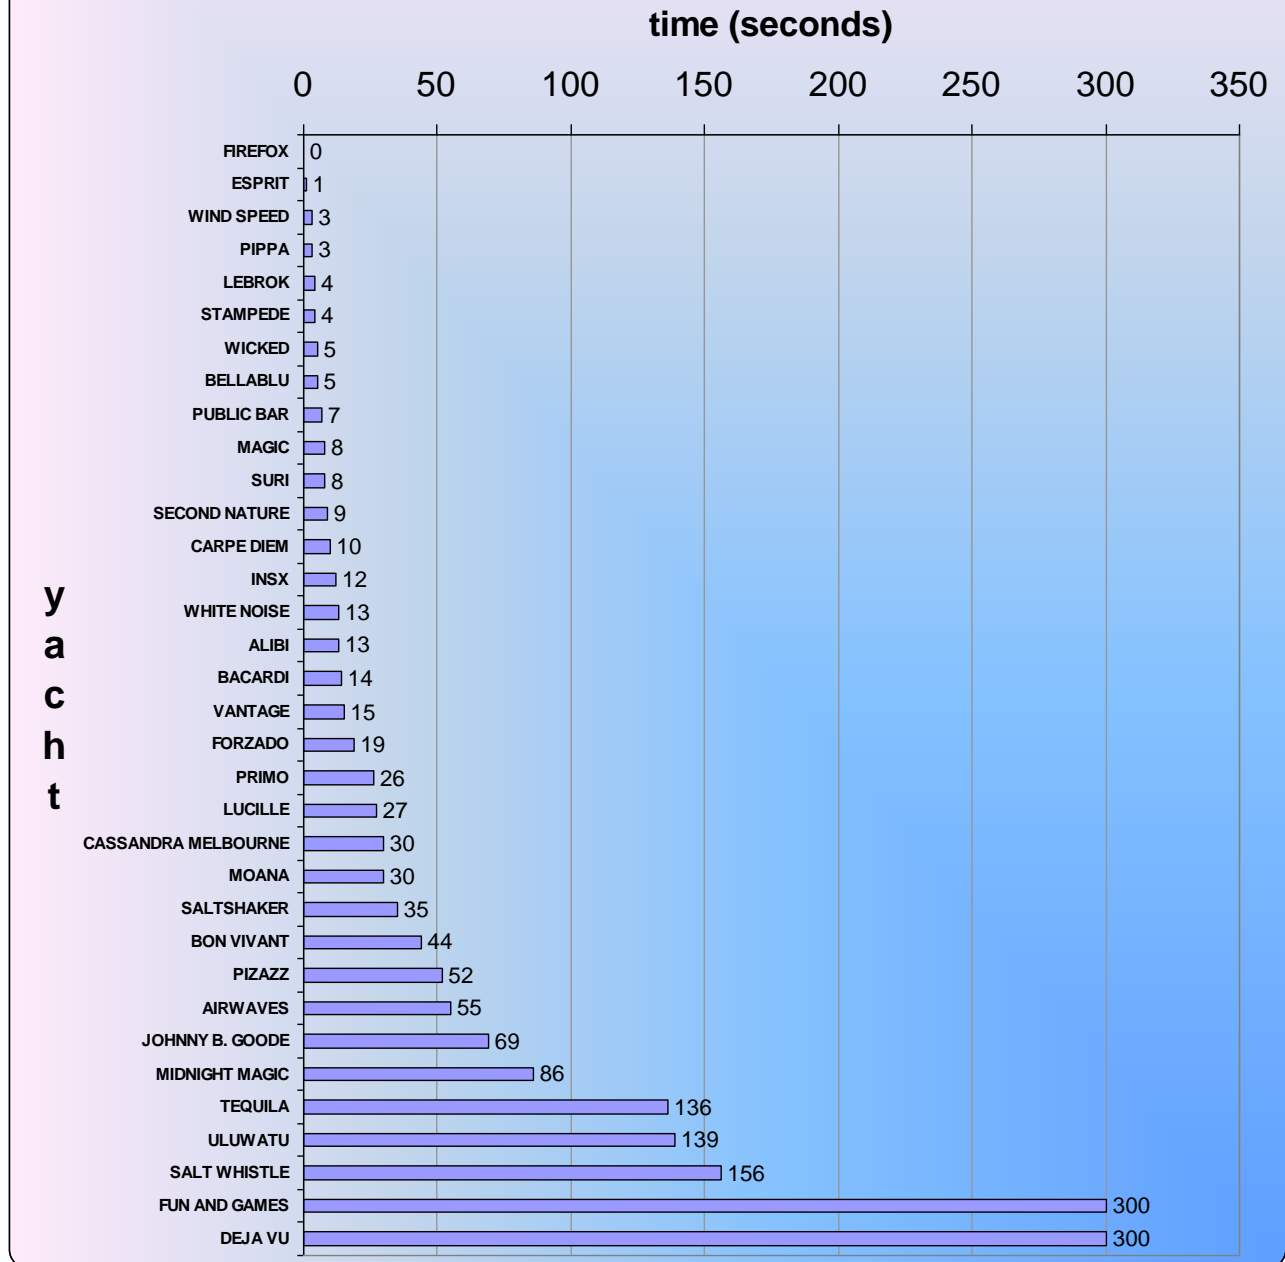

A Skipper of an early starter wrote:

*"Starting time from 1:35 for small yachts. Distance covered in the first half hour 0.8nm at an average of 1.6knots. Second half hour 1.3nm at 2.5knots. Most early starters were passed or about to be passed by No 1. By half way the early starters were in the middle or to the end of the fleet. Smallest yacht speed: Overall average 3.6kn. At the end of the race in the last hour or so, average speed 5knts."*

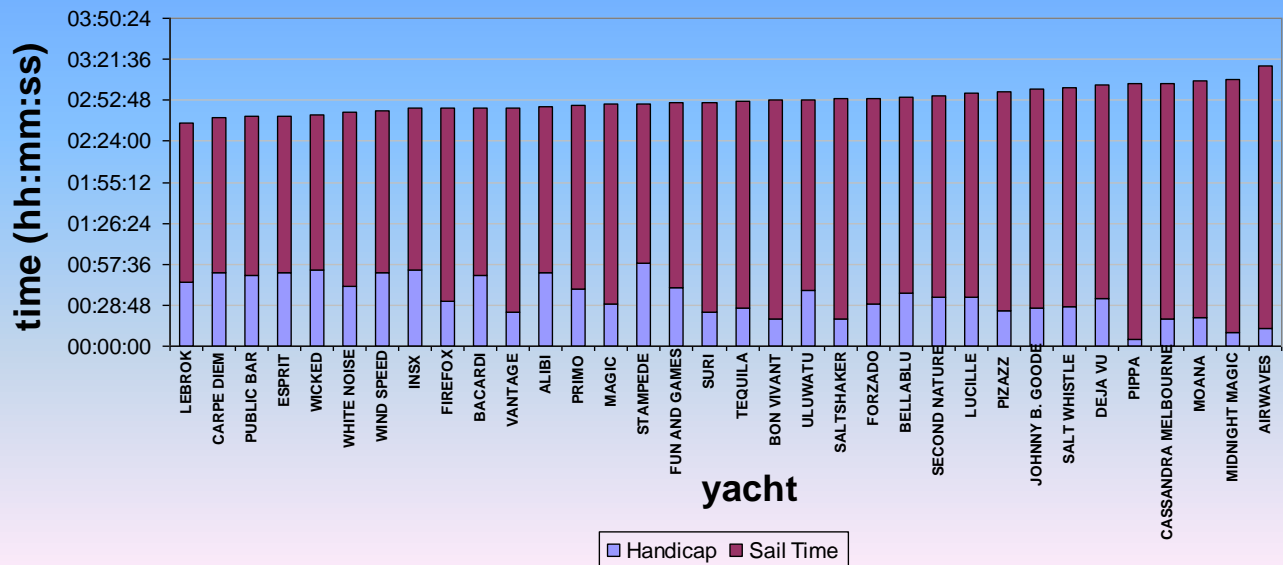

With another perfect start to the race it was FIREFOX (Kim Beveridge Howard) that won Start of the Day. ESPRIT (Garry Anderson) was close behind with a 1 second start. The median start was 14 seconds with 13 yachts starting within 10 seconds or less of their handicaps.

## WW Summer Series 2014-15 Race 24 Start of the Day

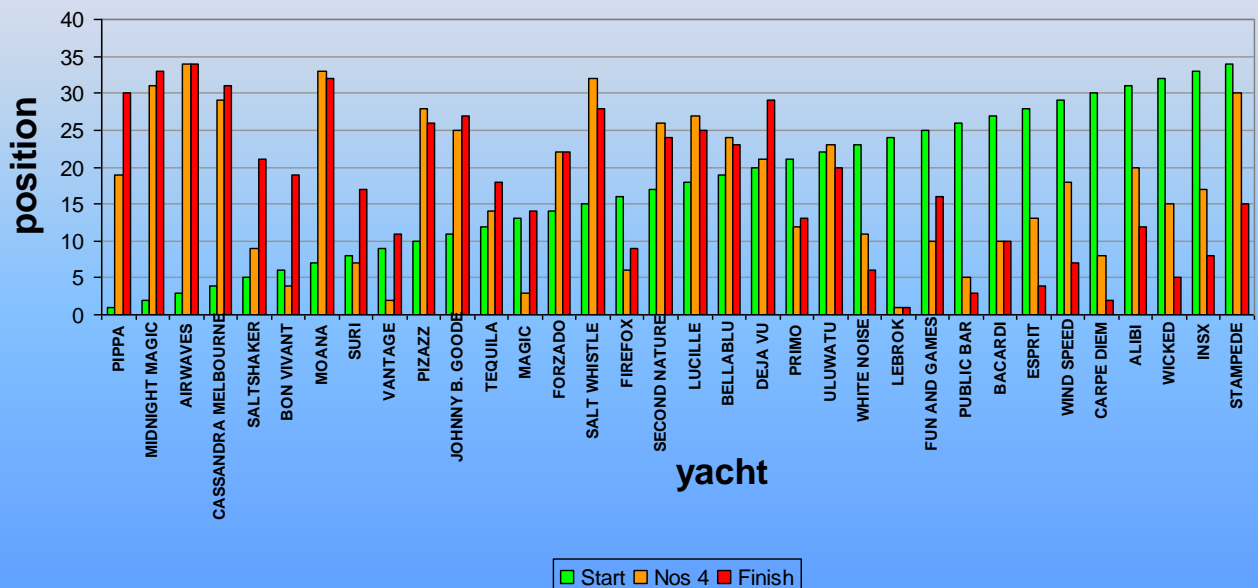

As already mentioned the fleet started 53 minutes apart and finished 40 minutes 10 seconds apart. There was a close finish between FIREFOX, BACARDI (Martin Power) and VANTAGE (Darren Hunter) who finished within 5 seconds of each other. On average, a yacht crossed the finish line every 1 minute 11 seconds.

## WW Summer Series 2014-15 Race 24 Results

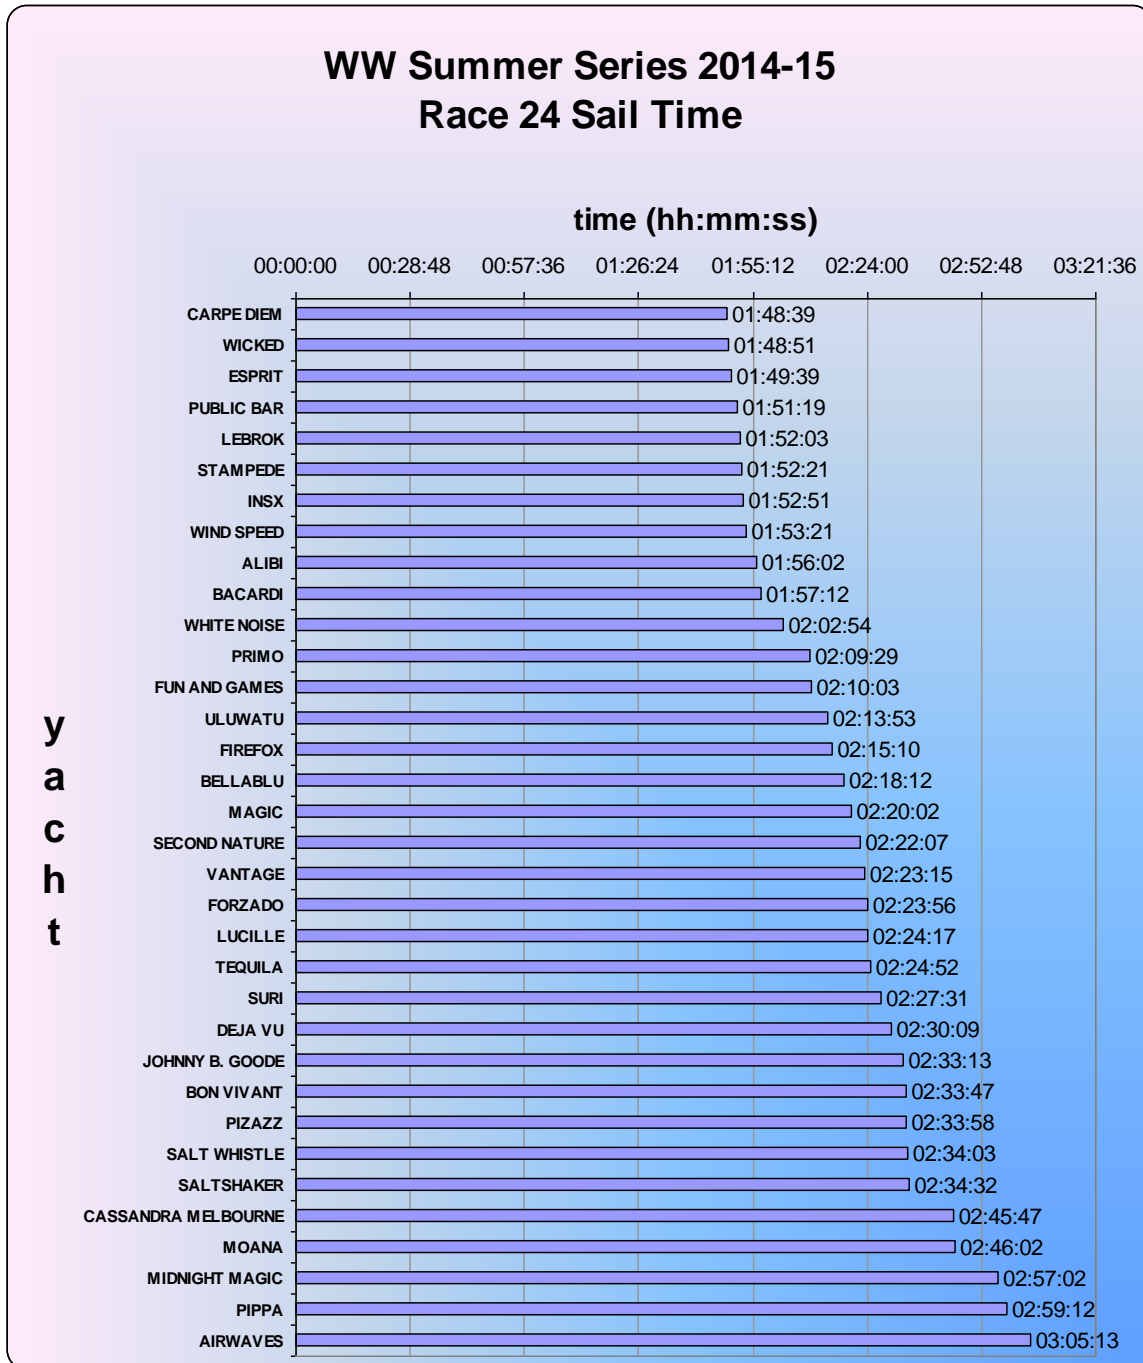

The finish was dominated by yachts that started towards the back of the fleet. Of the first 17 yachts to complete the race only 5 had a handicap of less than the 34 minute average. Only 4 yachts in the last 17 yachts to complete the race had a handicap above the 34 minute handicap.

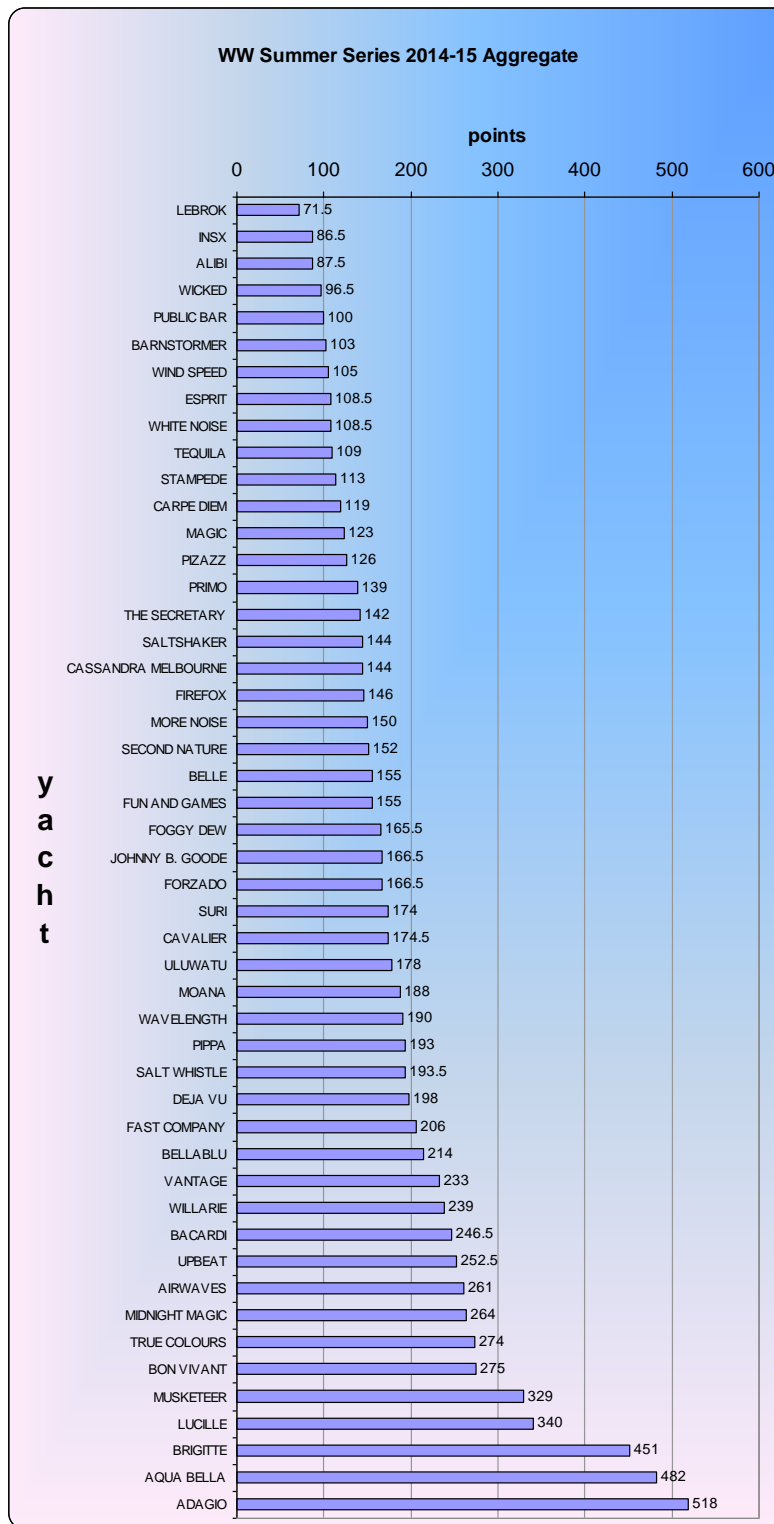

## WW Summer Series 2014-15 Race 24 Position at Start, Nos 4 & Finish

CARPE DIEM sailed the course in the fastest time of 1:48:39, twelve seconds faster than WICKED (Mike Welsh). The average sail time was 2:18:33 with 1:17:34 separating the shortest from the longest sail.

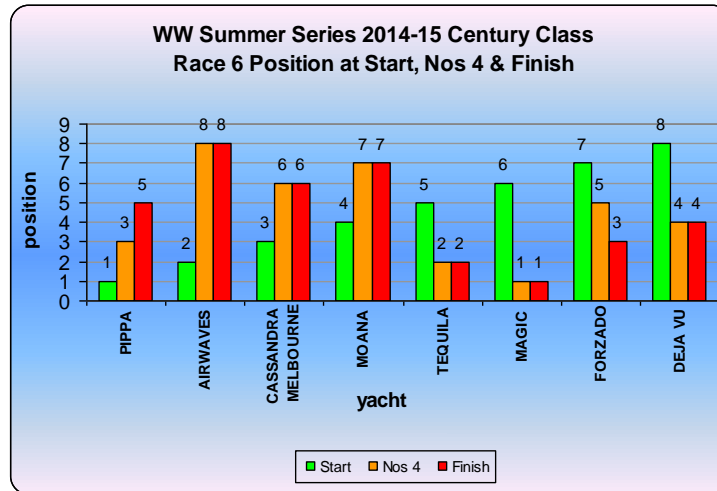

There were 49 yachts in the series aggregate won by LEBROK with 71.5 points. The top ten yachts (20% of the fleet) accounted for 25 (36%) of the 69 podium finishes and all finished within 37.5 points of LEBROK. There were ties for 8<sup>th</sup> place (ESPRIT and WHITE NOISE) 17<sup>th</sup> place (SALTSHAKER and CASSANDRA of MELBOURNE) 22<sup>nd</sup> place (FOGGY DEW & JOHNNY B. GOODE).

Race 24 incorporated the 6<sup>th</sup> and final race of the Century Class Series. There were 8 yachts taking part in the race won by MAGIC (Phil Spry Bailey) with TEQUILA (Alan Collins) 2<sup>nd</sup> and FORZADO (Bruce Dobbie) finishing in 3<sup>rd</sup> place. MAGIC started the race from 6<sup>th</sup> place but had claimed the lead by the first rounding of number 4. TEQUILA started from 5<sup>th</sup> place and she too was in her finish position by the first rounding of number 4. FORZADO moved through the fleet a little more gradually starting in 7<sup>th</sup> place moving into 5<sup>th</sup> at the first rounding number 4 before

finishing 3<sup>rd</sup>. The result of the Century Class Aggregate will be announced on WW presentation night.

Phil has listed all yachts correctly to race 22 questions - just a little slow in emailing them. But planning a wedding does take a lot of time.
