Courses

- **Fixed Marks Courses**

- Revamp of fixed marks courses to streamline, including the addition of the extra courses used predominantly for WW
- Removed a number of longer length courses that have not been used over the past 4 years
- Longer distance races to have special courses set via NTCs, with the course set based on the predicted wind conditions for the day
- Focus on variety of fixed marks courses to cover most wind directions, including reciprocal courses for Northerly-Southerly directions
- Ability to shorten courses at Tower
- Addition of the Boat start – Windward Gate option for fixed marks racing as has often been used in the Saturday Winter Series.
- Course numbering revised. Now grouped in course length and then start direction

- **Laid Marks Courses**

- No significant changes, however note changes to mark colours
