

## WELCOME

Welcome to the 55<sup>th</sup> Sabot Nationals and Sabot Week Regatta being hosted at Sandringham Yacht Club (SYC). It's great to see the Sabot back at SYC, 11 years since we hosted our last Sabot Nationals.

SYC has a strong tradition and history of hosting high profile events. We look forward to providing competitors with a great sailing experience on terrific racing waters, with typically reliable and steady winds at this time of the year.

Our modern and recently developed facilities make us the perfect regatta venue. Off the water, SYC has a big range of food & beverage offerings including the members bar & lounge, and the Harbour View restaurant. Daily "on board" food catering will also be available to those boats wishing to take up this offer.

Our large external balcony is positioned directly on the water's edge overlooking the racing area. Spectators and competitors alike will enjoy the 180 degree views of Port Phillip and to the north the city of Melbourne.

In a practical sense, SYC is well located in proximity to good local shops and accommodation, public transport, and surrounding car parks to ensure convenience and ease of access to the venue.

We know you will find SYC to be a welcoming and friendly club! As our guests, all competitors and families will receive an "honorary membership" for the duration of the regatta which will allow full access and enjoyment of the club. Our staff will do their best to ensure a visit to our club is a great and memorable experience!

We look forward to seeing you at SYC for the Sabot Nationals and Sabot Week Regatta.

Regards,
