  - 10.7.1. A boat that intends to compete in a J24 sanctioned event, or any other race that the J24 Association nominates as a significant race, may, not less than seven days prior to the event, apply in writing to the J24 Association to award average points for the One Design Sprint Series races missed.
  - 10.7.2. The approval for the award of average points will be at the sole discretion of the J24 Association and is not subject to request for redress. The average points will only be awarded to boats that actually compete in the designated race/s. A delay of boat works, transport or other non-racing events will not be grounds for obtaining average points.
  - 10.7.3. The missed race(s) will be scored by allocating average points of all races sailed on the previous three race days, rounded up to the nearest 0.1 point. If three race days haven't been completed prior to the nominated race or event, the scores of the next race day(s) sailed will be utilised.

## 11. PRIZES

- 11.1. Prizes will be awarded to the boat of the day based on the overall score of all races sailed on that day without exclusion. These will be awarded in OD class scoring and also on PHS for the J24 class and will be presented in the Clubhouse after the day's racing.
